

Announcing the launch of the **90-Day Gratitude Journal for Your Business!**

The Purpose-Driven Entrepreneur's Guide to Gratitude – in a few minutes each day.

The **90-Day Gratitude Journey for Your Business** focuses on the practice of gratitude and being grateful for everything your business has manifested for you.

One, simple prompt guides you thoughtfully each day to reflect and appreciate all the goodness your business brings forth.

Giving Thanks with a Grateful Heart

10 Women Entrepreneurs, 10 Different Industries. Each with a different "why" for their business. Each grateful for their business and life for different reasons. All agree that this definition of gratitude is true for them: "the quality of being thankful; readiness to show appreciation for and to return kindness."

Read all about their gratitude as you continue your own personal gratitude journey.

90-Days of Gratitude — Start your journey on Day 1 and complete 90-days later. Reflect every 5 days and then summarize at the end of your full journey.

Take a few minutes each day to reflect on the goodness of your business and how it brings joy and happiness to your life. Even if your business is not where you want it to be at this moment, you can change your life and your business trajectory by changing your perspective. Change your thoughts change your life.

This gratitude journal is here to guide you along the way.
